

# Second Arab Land Conference

22 - 24 February 2021  
Cairo, Egypt

The Government of the Arab Republic of Egypt is pleased to host the Second Arab Land Conference that will be organized under the patronage of the Egyptian Minister of Housing, Utilities and Urban Communities. The Conference is organized by the Housing and Building National Research Centre represented by the Urban Training and Studies Institute in partnership with UN-Habitat, the Global Land Tool Network (GLTN), the World Bank, the Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ), the Dubai Land Department, and the Network of Excellence of Land Governance in Africa (NELGA).

The Conference will focus on the priorities of the Arab Land Initiative: promote collaboration and coordination; develop and share knowledge; develop capacities of individuals and organizations; and support the implementation of land-related programmes and interventions. The Conference will be a platform to discuss countries experiences, present new research, foster high level commitment to improve land management, and develop the capacities of land stakeholders from the region.

## CONTENT

Three high level sessions on:

1. Modernization and reform of land administration
2. Women and land
3. Land management in time of crisis

And technical sessions on:

- Land management and administration
- Land and property registration
- Land management in time of crisis
- Access to land for women and vulnerable groups
- Efficient land use
- Technologies and smart solutions for land management
- Private sector participation
- Capacity development

Additional round tables, side events and masterclasses are being organized. The event will provide opportunities for site visits, exhibition area, youth and civil society assembly, gala dinner, and a family corner.

## ATTEND THE CONFERENCE

- > Register as a participant (onsite and/or virtual)
- > Submit your paper abstract by 14 December
- > Exhibit your work and disseminate your materials and ideas at the exhibition area

To respect the COVID-19 guidelines, the event will allow both onsite and remote participation for panelists, presenter and other participants to high level sessions and technical sessions.
