Arab Land Initiative

Setting the scene: Land governance in the Arab region

Land under pressure

- Population growth; urbanisation; environmental pressures
- Land inheritance & women's land rights

LAND-at-scale regional exchange EKNs

- The constraints to agricultural productivity posed by (extreme) **land fragmentation**
- **Sustainable land use & water resources:** where pressure on land is high, move towards the desert and depletion of groundwater resources
- **Land use planning** for climate adaptive measures

LAND-at-scale
